Greensleeves makes your Wedding Day a memory to treasure forever...

Our Medieval Weddings are the most traditional and romantic of all... You and your husband are enthroned and crowned as King and Queen of the Feast... You toast each other from a medieval, two handled loving-cup (our present to you!)... cut the cake with a real medieval sword...we use rose petals not confetti... Greensleeves has truly romantic stained-glass windows, a wonderful chapel and an enchanting Four-Poster wedding suite...and of course the Baron and his Minstrels to entertain your guests, plus there's superb music and dancing facilities to enjoy...and our settings for wedding photographs are truly breathtaking! Designer made Medieval Wedding Gowns and other costumes are available for hire. Every aspect from photography to flowers can be handled for you. We have many special ideas to make your day unique!
